10:50: The finance panel: MRP on capital loans – do the draft proposals avoid unintended consequences?

Our expert panel discuss the draft proposals on changes to the MRP on capital loans published by DLUHC last week. Has Government listened to the concerns of local authorities? Are the changes welcome or do they need further revision to avoid unintended consequences?

Panellists:

Christine Golding, chief accountant, Essex County Council

Conrad Hall, director of resources, London Borough of Newham

Nikki Ulyatt, associate director- technical, Link Group

Stephen Sheen, managing director, Ichabod's
